Sponsorship Opportunities and Benefits

WHY SPONSOR?

Sponsoring the Center for Autism Charity Golf Outing provides your organization with the perfect opportunity to put its brand in front of Maryland-area businesses and participating golfers, while at the same time helping the center's patients and their families.

ABOUT THE CENTER FOR AUTISM AND RELATED DISORDERS (CARD)

CARD at Kennedy Krieger Institute is a multifaceted, interdisciplinary program serving children, families and professionals in the autism community. The center combines clinical services, research and training programs to help children and teens with autism pursue all that's possible in their lives, enrich their experiences, empower their families and promote well-being through evidence-based approaches. One of our major endeavors is developing effective new models of care for families and clinicians—locally, nationally and internationally. Each year, the center serves thousands of children, teens and their families.
